The World

Mother Funner takes place in modern-day Reno Rejects, NV. It's a wonderful place where the mountains are hot pink and the sun smiles and wears sunglasses. Reno Rejects is unique, because it's the only place on Earth where soy milk comes from Soy Cows.

Main Characters

Tiffany Fajita-Llama Dumme

Tiffany is a hilarious, dingy and lactose-intolerant woman with a hilarious fear of dairy products. She lives with her sister Madison, her friends Thornz and Thorax and 3 funny, precious Soy Cows who she loves more than life itself. Tiffany sells her own brand of soy milk called Soy Cow Milk, which comes from their Soy Cows. Tiffany and the Soy Cows make soy milk funny. She's the star of Mother Funner, because she's the funniest and most outrageous character on the show. Tiffany's fear of dairy products is so severe that even looking at or hearing the name of something that has lactose in it makes her freak out. If there was only one question that Tiffany could ask, it would be "Got Soy Cow Milk?"

Madison Dumme

Madison is Tiffany's serious, responsible sister who has an amazing ability to store a lot of stuff in her dress. She's the smartest one in the crazy Dumme house. Madison loves Tiffany, Thornz, Thorax and their Soy Cows and looks forward to taking care of and cleaning up after them every day.

Thornz Cactus

Thornz is a funny, eccentric cactus who loves Country music and hiding stuff in his pants. He also loves to dumpster-dive and finds some cool things in other people's trash. One man's trash is Thornz' treasure.

Thorax Scorpion

Thorax is an energetic scorpion who loves to dance. He's always ready to "bust a move." Thorax also loves cats but can't keep one for more than a few hours, because it either runs away or gets stuck in an artificial tree. He adopts cat after cat after cat. Thorax loves hanging out with Tiffany and Thornz, but he loves hanging out with their underwear-wearing, break-dancing Soy Cow, named Smoothie, the most. Thorax makes people laugh a lot, because he's not a very good dancer. Good thing he has Smoothie to teach him how to break-dance. They love to break-dance with each other.

The Dummies' Soy Cows

Tiffany Fajita-Llama Jr., **Cocoa** and **Smoothie** are 3 colorful, funny, happy-go-lucky Soy Cows who produce different flavors of Soy Cow Milk. All the soy milk in Reno Rejects comes from them. They love grazing in the pasture of their house, having fun and being with Tiffany. They're nice most of the time, except for when sales for Soy Cow Milk skyrocket. When sales are through the roof, they develop huge egos. They love to climb on top of tables and are a real blast to be around.

Smoothie

Smoothie is the Soy Cow who produces smoothie-flavored Soy Cow Milk. She's the funniest Soy Cow, because she loves to wear underwear and teach Thorax how to break-dance. To produce smoothie-flavored Soy Cow Milk, Smoothie needs to consume lots of soy beans and fruit every day.

Tiffany Fajita-Llama Jr.

Tiffany Jr. is the obsessive compulsive Soy Cow who produces plain Soy Cow Milk. She loves everything to be clean and organized. Tiffany and Tiffany Jr. have a special bond, because she was the first Soy Cow that Tiffany ever created. To produce plain Soy Cow Milk, Tiffany Jr. needs to consume lots of soy beans every day.

Cocoa

Cocoa is the Soy Cow who produces chocolate-flavored Soy Cow Milk. She's a hard-working, obedient Soy Cow who never likes to cause trouble, except for when she's around Tiffany. When she and Tiffany get together, they cause a lot of hilarious problems.

Supporting Characters

Arm Pitt

Arm is the hilarious, happy mail carrier who delivers mail to everyone in Reno Rejects. He has a pet beaver, named Jason, who's an international pop superstar. Everyone loves Arm and thinks he's funny and entertaining, because he does armpit farts that make people laugh and smile when he delivers the mail. Arm doesn't have to try very hard to be funny. It just comes to him naturally.

Jason Beaver

Jason is Arm Pitt's pet beaver. He's Canadian and shows his Canadian pride by wearing a T-shirt that looks like the Canadian flag. Jason's not your ordinary beaver. He's a famous singer/international pop superstar. Everyone loves Jason.

Doctor Freddie

Doctor Freddie is a fun, compassionate doctor who looks like Freddie Mercury. He specializes in treating hilarious conditions (like Soy Cow Osteoporosis, fears of octagons and squirrels who hold octagons, etc...) in hilarious ways. Doctor Freddie can treat any condition, no matter how silly it is. He's the most famous doctor in Nevada.

Episode Ideas

"Doctor Freddie Has Narrow Hips" - Doctor Freddie hires Tiffany, Madison, Thornz and Thorax to babysit his pair of designer pants while he's on vacation. Before he goes on vacation, he tells them if any of them damage his pants, he'll never see or talk to whoever damaged them again. While they babysit Doctor Freddie's pants, Thornz bets Tiffany she can't fit into them, because Doctor Freddie's hips are so narrow. Tiffany wants to prove him wrong so she tries to fit into the designer pants, but accidentally rips them. Doctor Freddie then refuses to see or talk to Tiffany, until his designer pants tell him that he should stop seeing and talking to Thornz, not Tiffany, because Thornz was the reason Tiffany ripped him. His designer pants explain that Thornz bet Tiffany couldn't fit into him, and Tiffany tried to prove Thornz wrong. After hearing his designer pants say that, Doctor Freddie tells Tiffany that he can see and talk to her again.

"Houston, We Have a Problem With Soy Cool Jeans" - Tiffany creates a line of jeans called Soy Cool Jeans that are made out of soy beans covered in hot sauce, because she wants everyone to look hot in the jeans. When people put on Soy Cool Jeans, the hot sauce in them burns their skin, and they complain to Tiffany about it. Tiffany stops selling Soy Cool Jeans, because she's afraid those people will stop buying Soy Cow Milk if she doesn't.

"Soy Cow Osteoporosis" - Smoothie develops Soy Cow Osteoporosis which makes her shrink at an alarming rate. Her Soy Cow Osteoporosis was caused by drinking Soy Cow Milk that wasn't fortified with calcium. Smoothie is taken to Doctor Freddie who gives her Soy Cow Osteoporosis medicine which restores her bones and helps her return to regular size.

"Frozen Soy Cow Milk" - After she sees some kids eating ice cream, Tiffany starts selling her own brand of Soy ice cream called Frozen Soy Cow Milk. When Cocoa gets the flu and sneezes in a batch of Frozen Soy Cow Milk, a bunch of people get sick and sue Tiffany and Cocoa for all the money and Frozen Soy Cow Milk they've got. After Cocoa gives a moo-ving testimony in court, all the people that sued them give back the money and Frozen Soy Cow Milk.

"The Soy Cow Milk Trials" - Sales for Soy Cow Milk are down, so to boost sales, Tiffany decides to sell her own brand of soy cheese called Soy Cow Cheese. Soy Cow Cheese becomes a success, and all the success goes to the Soy Cows' heads. Tiffany Jr., Cocoa and Smoothie's egos get so big that they sue Tiffany for total control of The Soy Cow Milk Company. The judge doesn't let them have any control of Tiffany's company, because they're Soy Cows, and Soy Cows don't know how to run a company.

"Madison Gets a New Tongue" - After getting their pictures taken with Soy Cow Milk moustaches, Thorax buys a cat who gets stuck to Madison's tongue. While removing the cat, a paramedic accidentally rips off Madison's tongue. Madison then has to get her tongue sewn back on.

"I'm In Soy Much Trouble" - When Soy Much Fun runs out of soy cheese for their pizzas, Tiffany takes action and supplies them with tons of Soy Cow Cheese. She forgets to pasteurize the Soy Cow Cheese before she gives it to them, and a bunch of people get sick from eating the pizza covered in her cheese. The people who get sick sue Soy Much Fun, so Soy Much Fun sues Tiffany. Soy Much Fun's lawsuit with Tiffany is dropped, because Tiffany was too stupid to remember to pasteurize Soy Cow Cheese.

"Madison Sends Tiffany to the Pound" - Madison wants to go on vacation without Tiffany and sends her to the Pound, because the kennel and daycare center won't take care of her. Madison doesn't know that if she doesn't get Tiffany out of the Pound in one week, she'll be put to sleep. A day before Tiffany is scheduled to be put to sleep, the Pound calls Madison and tells her if she doesn't get her out in 24 hours she'll be put to sleep. Madison ends her vacation early and hurries to the Pound to save Tiffany and get her out of the Pound just in time. Madison is happy that Tiffany isn't put to sleep, but she's even happier when Tiffany tells her that the Pound spayed and micro-chipped her.

"You Drive Me Up a Wall" - Tiffany doesn't know a person can't drive up a wall that's a 90 degree angle. She crashes the car into a wall while trying to drive up it and makes a lot of people laugh. A talent agent notices how she made a lot of people laugh and thinks Tiffany can become a famous comedian. The talent agent signs her as one of his clients and sends her on gigs, realizing that he made a big mistake because her jokes stink, literally. Whenever Tiffany tells a joke, she emits a smelly odor. The talent agent has no choice but to drop her as one of his clients.

"Thorax Vs. a Hermit Crab" - Tiffany, Madison, Thornz and Thorax go to the beach. After Madison tells Thorax how a hermit crab's shell is cooler than his shell, he challenges the hermit crab to a Whose-Shell-Is-Cooler-Off. The hermit crab wins the Whose-Shell-Is-Cooler-Off and gets a trophy. When the hermit crab holds his trophy in the air, he accidentally drops it on himself and the trophy crushes him. Thorax becomes the new winner, by default.

"Thorax's Cat Gets Stuck in a Fake Tree" - Madison buys an artificial tree, that looks just like an oak tree, to plant in the yard. Thorax adopts a cat who gets stuck in the fake tree, and the RRFD (Reno Rejects Fire Department) can't get his cat out because they've never done it before. After all, Reno Rejects is a desert with no trees. Tiffany and the RRFD think of ways to get his cat out of the tree, and Smoothie break-dances in front of them to keep them entertained. Suddenly, Thorax's cat jumps down from the tree and break-dances by Smoothie.
